LEARN TO LOVE AND LEAD LIKE JESUS

By James Walton

I was in the classroom recently with our Canby Bible College students, processing Paul's words in the book of Romans, verse by verse. It's my fifth or sixth year teaching the course, and each time it reveals something unexpected and beautiful. But one theme that comes up again and again in the book is that transformation is a process which begins in your mind.

Our behavior is shaped by our thinking and when our thinking is shaped by Scripture, we have the opportunity to grow into greater measures of loving and leading like Jesus. There's more to the process to transformation, for sure, but this is a key place to start.

I'm so grateful for the opportunity to be part of a church family that believes in the power of transformation through Spirit-led education in Scripture. Canby Bible College exists to help you learn to love and lead like Jesus.

We've been serving our region for over 20 years by producing Spirit-led, Jesus-loving, Bible-believing, Kingdom-advancing leaders. You can be one too.

You're invited to join us at our Spring Preview Day on Friday, March 15 from 9am to 1pm. You'll sit in on classes, learn from alumni, faculty and students, and experience the CBC culture. And there'll be Chick-Fil-A for lunch, which is probably reason enough in itself to attend. It's free, just register at canbybiblecollege.org.

Jesus made disciples in a small group; so do we. Disciples (followers, apprentices, interns, students) best learn and change together in safe and catalytic environments. Small groups provide family-like friendships for effective learning and growth in our relationally disconnected culture. These groups, classes, recovery and serving opportunities are open, safe, welcoming and life transforming. For more information contact Dave Metsker in the lobby or at dmetsker@canbyfoursquare.com.
