

Debbie McKenney is an Administrative Assistant with many hats. Debbie is invaluable in her contributions to the Front Office team. She also helps a great deal in the bookkeeping department. Although she is a great help to everyone on staff, she helps Pastors James and Ron in particular, and helps keep their busy schedules straight. A great resource for information, if you have a question, she says she can “almost always” find an answer. 😊

Contact Debbie if you'd like to know more about:

- Anything 😊
