

Once your babies grow and graduate from the Building A nurseries, they will be under the care of Jo Ann Jamison. With years of experience and a really big heart, Miss Jo Ann watches over the staff that cares for the pre-school children, and is a teacher there herself. If you have a heart for three to five year olds, and would like to help them learn about Jesus, please send Jo Ann an email. She'd be happy to let you know how to get started.

Connect with Jo Ann if you'd like to know more about:

- Our Pre-School department
- Serving our children
- Early childhood development
