

Joy's role is to find ways we as a church family can best engage and serve our local community. Joy graduated from our Immersion Discipleship Program (now Canby Foursquare Interns) and Canby Bible College, and now serves on the Canby Foursquare team. Her passions are social justice, good coffee, hiking and listening to podcasts. If you have questions about how to use your giftings, talents and passions to serve our community, connect with Joy!

Email her at jstrube@canbyfoursquare.com
