

Kristin Lane is our Office Manager. From fielding calls, to keeping the church calendar straight, to proofing publications, Kristin makes sure the front office runs well. If you have a flier, postcard, or anything printed, run it by Kristin first, and she'll be happy to proof it for you. All printed material passes through her capable hands before going public. Kristin runs the central hub for communication, including the newsletter, and is in the office Tuesday-Friday to help you.

If you'd like an opportunity to volunteer in the main Office, give her a call at 503.266.4444.
