

Pastor Rene' Bogue is our Public Services Pastor. She's the person to contact about any Building A event or service. She has involvement in most of what you see during public services in The Auditorium. From the stuff that goes on onstage to Lobby tables, announcements and bulletin boards - they're all a part of her world. She's also the contact for social media and the website, and actually appreciates when people let her know of any typos or broken links! (I have this on good authority)

Contact Pastor René if you need information about:

- The Auditorium (building A) – tech, stage, usage, etc.
- The Website
- Social Media (Facebook, Instagram, etc.)
- Weddings
- Memorial Services
- Cancer resources (not officially part of the job. she's a survivor)

You can email her at rbogue@canbyfoursquare.com
