

Shannon is a blessing to us all with her leadership in Worship. She leads onstage most weekends, and behind the scenes always. She is involved in mentoring and growing our Worship Team, and is a constant encouragement to them and the rest of the staff. Connect with Shannon if the Lord is leading you to be a part of our Worship Team. Contact Shannon if you need information about:

- Joining the Worship Team
- Ongoing training in Worship
- Resources about Gender Identity (not an official part of her job, but she's a great resource)
